AMAZING TOWNHOUSE | HYDRA ISLAND, HYDRA

A charming stone house nestled within the heart of Hydra's village, situated along the main road of the island. Just a 7-8 minutes stroll from the harbor, this residence offers a blend of tradition and modernity.

The property of 162sq.m. spans on 2 levels across a 267sq.m. plot.

The lower level accommodates a spacious living room, a dining area, and a well-equipped kitchen where there is access to a large veranda.

The interior staircase leads to the upper level, where there are 3 bedrooms, each with its own balcony door.

The first bedroom could be used as either a cozy single bedroom or an office. The second bedroom is larger, while the third has an en-suite bathroom. Another bathroom resides at the end of the corridor.

At the rear, a lush garden welcomes you with lemon trees, grapefruit and almond trees. The area is accessible from both outside and through the upstairs staircase.

A unique property offering a touch of historic charm proven by the old pirate cannon ball found at the property. A magnificent property in a sought-after island.
