EXCEPTIONAL PROPERTY | HERAKLION, CRETE, HERAKLION

A unique property, of great architectural value, in a wonderful estate in Archanes, Heraklion.

The two-story building, built in 1890, is listed as a typical example of the Cretan traditional architecture.

On the ground floor, the property consists of a renovated café and auxiliary areas (wine warehouses, presses, bakery).

A small inner courtyard leads to the 1st floor, where the main house is formed. It offers 8 high-ceiling bright rooms, including a large living room with a beautiful balcony, a dining room-kitchen with a fireplace, as well as two lovely large terraces that communicate with the bedrooms.

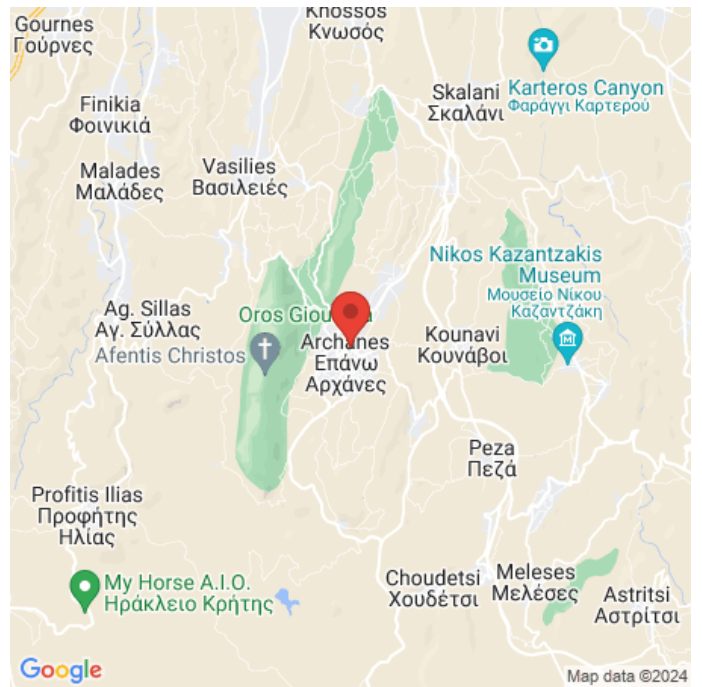

The masonry of 50-60cm, the roof, partially restored, made of wood, the railing of the balcony and the door of the entrance made of iron, are some of the unique features of this property.

The property also offers a beautiful Mediterranean garden.

A magnificent house listed as a work of art!
