UNIQUE PROPERTY | ZAKYNTHOS ISLAND, ZAKYNTHOS

An outstanding estate of unique history and exceptional beauty in the heart of Zakynthos island.

Located in the area of Mahairado, just 5km from Zakynthos town and 7km from Zante International Airport, this authentic property of a noble family of Zakynthos bears centuries of tradition in producing exquisite wines and organic extra virgin oil.

The estate covers approximately 361.590sq.m., including 310.000 sq.m. of olive trees and 50.000 sq.m. of vineyard. It was one of the first certified organic olive oil estates in Greece, the oldest winery in the country and one of the oldest in Europe, though nowadays the production mainly relies on estate-grown grapes.

This beautiful land also consists of 1.833sq.m. of buildings, including a cellar with more than 15.000 of bottled wine.

Rich in beauty and tradition, this exceptional property could be transformed to an authentic private mansion or an ideal Olive and Wine spa and holiday retreat.

A unique property and an excellent investment project in the magnificent island of Zakynthos.
